

## Hex key set, imperial, BlackLaser, 9-piece

Combination wrench with plastic coating (SPKL) made from easy-to-grip round material. The coating makes work comfortable even at low temperatures and is easy on the fingers. All offset wrenches are color-coded and size-coded for easy identification. The non-wearing material of the clip guarantees that the angle wrenches are held securely and are easy to remove. For hexagon socket screws.

- Hex key set for hexagon socket screws
- Hex-Plus makes hexagon socket screws last longer
- Hex keys are quickly to hand thanks to their size marking
- Abrasion-resistant handle marking
- With robust bag to protect the tool and make it easy to take with you.
