

Kraftform Kompakt 400 RA Set 2, 9-piece

9-piece set in robust textile box. 1 cross-handle adapter screwdriver 411 A RA with ratchet function, for 1/4" sockets. The integrated ratchet with fine toothing (80 teeth/return angle 4.5°) simplifies and speeds up screwing without tedious re-setting. The ratchet mechanism is fully embedded in the handle for very handy and comfortable working. With switch lever for convenient right/left direction change in one-handed operation. The ergonomic shape of the handle fills the palm of the hand well, the fingers lie securely in the softly rounded recessed grips. The whole hand is in contact with the handle, avoiding friction losses between hand and handle. For 1/4" square drive sockets and 1/4" connecting parts with square drive, with ball lock. 8 Zyklop sockets with 1/4" drive. Take it easy tool finder: color coding according to size - for finding the required tool quickly and easily.

- Ergonomic 2-component handle with finger grip recesses and pleasant feel for very high power transmission and fatigue-free working
- The integrated ratchet with fine toothing ensures fast and safe working
- Reversing lever for convenient right/left direction change
- Handy working thanks to ratchet mechanism fully embedded in the handle
- Quick-release sleeve for very high working speed
