

## 3 flute countersink bit, 6.30 x 31 mm

High-quality 3 flute countersink bit for deburring, chamfering and countersinking. The finely tuned material elasticity guarantees a long tool life. Perfect chip removal and low risk of jamming ensure comfortable working. Cutting part to DIN 335-C, 90° with 3 cutting edges. 1/4" hexagon suitable for holders with DIN ISO 1173-D 6.3 mounting.

- Very good power transmission due to hexagonal shank
- Finely tuned material elasticity for long tool life
- Very good centering properties
- Perfect chip removal
- Precise return guidance
