

Metal twist drill bit and bit set, 19-piece

19-piece metal twist drill bit and bit set. High-quality metal twist drill bits for precise drilling in metal. Made from high-speed steel (HSS). Finely tuned material elasticity ensures a long service life. Very good concentricity. Very good power transmission due to hexagonal shank. Tough bits, for universal use. Drive: 1/4" hexagon, suitable for holders with DIN ISO 1173-D 6.3 mounting. Robust belt pouch included for safe storage.

- Ideal for repair and assembly work in mobile applications
- Rapidaptor holder for quick bit changes
- With 1/4" drive suitable for the screwdriver
- With Rapidaptor universal holder, metal twist drill bits and bits with 1/4" drive
- In a practical and robust belt pouch

Item no.

WL90617

Model

848/851/867/19
