

Chain riveter workshop set, 20-piece

18-piece tool set for the bicycle workshop. With the Zyklop Mini bit ratchet and the bit holder and the 89 mm or 25 mm long bits, hexagon socket, TORX® and Phillips screws can be operated. The included chain tool and holder with replaceable rivet pin can be used to open and close bicycle chains (suitable for single-speed chains, up to 12-speed). The chain lock pliers make it easier to open and close chains with chain locks.
