

Flex arm for FAE072 with clamp Ø50 MM

FAE072 is a fully flexible arm that can be easily adapted to your workbench. A clamp for mounting is included in the scope of delivery.

With a length of 1.2 m / 47 inches, it covers a larger area and, thanks to the reinforced material, ensures a longer service life by reducing the wear and tear caused by constant handling.

FAE regulates the air flow depending on the filter saturation and the number of suction hoses used.

Item no.	WL91277
Manufacturer	JBC
Manufacturer article no.	FAE072

GPSR manufacturer data	JBC Soldering SL Ramón y Cajal 3 ES-08750 Molins De Rei www.jbctools.com
Length	1200 mm
Length with packaging	110 mm
Width with packaging	435 mm
Height with packaging	605 mm
Sales unit	1 piece
Content unit	1 piece
Incl. battery	no
Reach	1000 mm
Pipe diameter	50 mm
Mounting type	table mounting
Joint colour	black
ESD compliant	yes
