

AirGuard Pro combi filter A1E1P3 RD, bayonet lock, for AG360, AG360W

The AGA1E1 filter was specially developed for use with the AirGuard Pro® 360 and AirGuard Pro® 360 White half masks. It offers effective protection against organic and acid gases, vapors, sulphur dioxide and harmful particles.

With excellent filter performance, low breathing resistance and long service life, the AGA1E1 is the optimal choice for demanding working environments where hazardous pollutants are present in the air.

- Protection class A1E1P3 R D - protection against organic and acid gases as well as fine dust
- Highly efficient P3 particle filtration for maximum safety
- Reliable separation of sulphur dioxide, acid vapors and hazardous particles
- Low breathing resistance for comfortable working
- Robust housing for long operating times

- Quick and safe filter change thanks to bayonet lock

Item no.	WL91290
Manufacturer	DS SAFETY WEAR
Manufacturer article no.	AGA1E1
GPSR manufacturer data	DS SafetyWear Im Rohnweiher 14 DE-53797 Lohmar www.dssafetywear.de
Sales unit	1 pair
Content unit	1 pair
Colour	white
Incl. battery	no
Standards	EN 14387:2004+A1:2008
ESD compliant	no
Protection class (particle filter)	P3
