

Wafer 2 Light Pad (A3), light pads

The wafer light pads are equipped with high-quality LEDs and provide even, borderless illumination for your projects.

Dim the light to suit the paper weight and fabric thickness and use the practical ruler guide with inch and centimeter markings on the sides of the tracing area for maximum precision.

The bright, slim and lightweight Daylight Wafer light pad is your indispensable tool for tracing, paper crafting and quilting. Available in 3 sizes

- Super bright illumination
- High-quality LEDs provide uniform brightness from edge to edge
- Daylight source for excellent clarity and contrast
- Integrated ruler guide in inches and cm for precision
- Slim and lightweight design
- USB-A to USB-C cable included in the scope of delivery
- Ideal for tracing, paper crafting and quilting
- 3-step dimmer

Item no.	WL93636
Manufacturer	DAYLIGHT
Manufacturer article no.	E35152
