

2 xenova S1 safety shoes (low-cut), black-blue

Enhanced comfort, proven protection, and an attractive design: That's the new uvex 2 xenova®. These completely metal-free safety shoes are even more comfortable on the foot. An improved fit, lighter weight, and optimal cushioning, breathability, and padding significantly enhance comfort. These new all-rounders aren't just more comfortable—they're also sleeker and more colorful. With colorful accents and an outsole in bright blue or red, the uvex 2 xenova® becomes a stylish eye-catcher. Proven safety features such as the metal-free, puncture-resistant uvex xenova® midsole (depending on the model) and the uvex xenova® plastic toe cap round out the overall package of these safety shoes. The combination of protection, style, and comfort makes the new uvex 2 xenova® a popular all-rounder for indoor and outdoor work, such as in mechanical and plant engineering, metalworking, or skilled trades.
