Tuyau silicone FE 6/4 mm pour kit d’adaptateur FE 0265000/0495000/0455002

The 6/4 mm silicone hose from JBC is the ideal solution for use with the FE adapter kits 0265000, 0495000 and 0455002. This high-quality hose is available by the meter and offers a precise fit for your specific requirements. Thanks to its anti-static properties, the silicone hose is particularly suitable for applications where electrostatic discharge must be avoided. The flexible and durable nature of the material ensures reliable performance and easy handling. Perfect for professional use, this silicone hose offers an optimum combination of functionality and safety.
