Câble de raccord WX, 2 m

The Weller WX connection cable, 2 m, is a high-quality accessory for the reliable connection of soldering stations and tools. With a length of 2 meters, it offers sufficient flexibility and freedom of movement at the workplace. The cable has a robust design and ensures stable signal transmission, which is essential for precise soldering work. Thanks to the high-quality materials and careful workmanship, it is durable and resistant to the demands of daily use.
