

Kit boîtier Reflow

The WRK set from Weller offers a 10 x 10 mm reflow housing that has been specially developed for precise soldering work. This set is characterized by its high quality and reliability, which are required for demanding soldering processes. The compact design of the reflow housing enables efficient heat transfer and ensures uniform solder joints. The WRK set is compatible with a wide range of soldering stations and is ideal for use in various industrial applications.

- 10 x 10 mm, 12,5 x 12,5 mm, 15,5 x 15,5 mm, 18 x 18 mm
- embout d'aspiration Ø 4,5 mm T0058713799

N° d'article	WL27237
mannequin	T0058761732
Ligne de modèle	WRK
Fabricant	WELLER

Products for the electronic industry

Fabricant Numéro d'article	T0058761732N
