

Pince à dénuder ESD Ecotronic

The Ecotronic ESD wire stripper 0.2 - 0.8 mm Ø, 168 mm from C.K impresses with its precise workmanship and high functionality. Developed for professional applications, this tool enables effortless and clean stripping of a wide range of conductors and strands. For safe and gentle stripping of fine, insulated wires with a solid core in applications where damage caused by electrostatic charge must be avoided at all costs Six pre-set pairs of cutting edges for stripping fine, insulated wires with a solid core, 0.2, 0.3, 0.4, 0.5, 0.6 and 0.8 mm (20-30 AWG) Suitable for stripping all standard wire insulation Cutting edges made of special tool steel, Hardened for long-lasting performance Integrated wire cutter for cutting soft copper wires up to 3 mm Ø / 8 AWG Pliers jaws with serrated tips for gripping wires and bending loops Electrostatic dissipative handles - leakage resistance 10^8 Two-component handles with curved design Curved handles for comfortable working Locking mechanism for locking the cutting edge pair in the closed position Black burnished surface for corrosion protection and reduced glare Smooth-running return spring for improved comfort during repetitive work Joint with sturdy stainless steel rivet Technical information: Total length: 168 mm Steel thickness: 3 mm Capacities: mm: 0.2 / 0.3 / 0.4 / 0.5 / 0.6 / 0.8, AWG: 30 / 28 / 26 / 24 / 22 / 20 The robust design and ergonomic shape ensure comfortable handling and a long service life. An indispensable tool for electricians, technicians and anyone who wants to carry out precise and efficient work in the field of cable processing.

Capacités : 0,2 / 0,3 / 0,4 / 0,5 / 0,6 / 0,8 mm

Numéro d'article	WL33753
Modèle	T3893
Fabricant	C.K

Numéro d'article du fabricant	T3893
Données du fabricant du GPSR	Carl Kammerling International Bendahler Straße 110 DE-42285 Wuppertal www.ck-tools.com
Largeur	168 mm
Hauteur	70 mm
Longueur avec emballage	2,5 mm
Largeur avec emballage	220 mm
Hauteur avec emballage	80 mm
Unité de vente	1 pièce
Unité de contenu	1 pièce
Longueur totale	168 mm
Batterie incluse	non
Longueur de la zone de décapage	0,2 – 0,8 mm
VDE	non
Conforme aux normes ESD	oui
Longueur de l'outil	168 mm
Type de pince	décapant manuel
