

Brucelles de précision avec pointes fines, mais robustes.

Suitable for delicate standard applications and precision work on small components or wires

Stainless steel, robust tips, non-rusting, non-reflecting surface

Ergonomically-shaped handles provide superior comfort and fatigue-free handling

Weller has a wide range of tweezers made from various material and tips, for the right application

Superior symmetrically pointed tips

Made from ESD-safe material to prevent damage to sensitive components

Uncompromising Swiss quality created to be strong and durable Weller Erem® has a wide range of Tweezers, each designed to be strong, comfortable and precise. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Tweezers are built to last. The signature high-performance tweezers set the industry standard with ergonomically-shaped handles and pointed tips for precise results, providing the longest durability, highest precision and best quality on the planet. Feel the difference with Weller Erem – the proven choice. Every time.

Weller Erem™ has a wide range of Tweezers, each designed to be strong, comfortable and precise. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Tweezers are built to last. Feel the difference with Weller Erem™ – the proven choice. Every time.

- Appropriées pour des applications standard fines et des travaux de précision sur de petits composants ou des fils
- Acier inoxydable, pointes robustes, surface non réfléchissante

Numéro d'article	WL51033
Fabricant	Weller Erem
Numéro d'article du fabricant	AAS
Données du fabricant du GPSR	WELLER Tools GmbH Carl-Benz-Strasse 2 DE-74354 Besigheim

Products for the electronic industry
