

Pinzette di precisione a punta fine. Molto resistenti

For applications in microelectronics, jewelry making, watchmaking, medicine and laboratory technology

Suitable for delicate standard applications and precision work on small components or wires

Special stainless steel, non-magnetic, non-rusting, acid-proof, heat-resistant

Comfort ergonomically-shaped handles provide superior comfort and fatigue-free handling

Pressure superior symmetrically pointed tips

Uncompromising Swiss quality created to be strong and durable

Weller has a wide range of tweezers made from various material and tips, for the right application Weller Erem® has a wide range of Tweezers, each designed to be strong, comfortable and precise. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Tweezers are built to last. The signature high-performance tweezers set the industry standard with ergonomically-shaped handles and pointed tips for precise results, providing the longest durability, highest precision and best quality on the planet. Feel the difference with Weller Erem – the proven choice. Every time.
