Attacco per aria compressa, piastra di inserimento per striscia di collegamento elettrico Basic, 100 mm

The insert plate for electrical connection strips from the Basic model line from KARL enables an efficient and reliable compressed air connection in industrial applications. Equipped with two FESTO 1/8" compressed air quick couplings, the plate provides a stable and secure connection for various tools and machines that require a constant supply of compressed air.

With a diameter of 100 mm, the insert plate is standardized and can be easily integrated into existing connection strips. The compact design and light grey coloring (RAL 7035) ensure easy installation and harmonious adaptation to industrial environments.

The Basic insert plate impresses with its robustness and durability and enables uncomplicated handling of the compressed air supply. It is ideal for workshops, production or assembly areas where a safe, flexible and practical connection of compressed air components is required.
• Piastra di inserimento per strisce di collegamento elettrico
• 2 x attacco rapido ad aria compressa 1/8", fanno FESTO

Articolo n.	**WL34972**
Modello	95.545.70
Linea di modelli	Basic
Produttore	KARL
Codice articolo del produttore	95.545.70
Dati del produttore GPSR	Andreas KARL GmbH & Co. KG Hauptstraße 26 DE-85777 Fahrenzhausen www.karl.eu
Larghezza	100 mm
Unità di vendita	1 Pezzo
Unità di contenuto	1 Pezzo
Informazioni sul colore del produttore	grigio chiaro
Colore	Grigio
