

## Narzędzie do wymiany dysz do WHA3000V i WHA3000P

The nozzle replacement tool for the WHA3000V and WHA3000P models from Weller enables nozzles to be replaced quickly and easily. It is specially designed for the requirements of these hot air stations and ensures precise handling. The tool is robust and durable, ensuring reliable use in everyday work. Thanks to its precise fit, nozzles can be changed efficiently and safely, which optimizes work processes and minimizes downtime.
