

## Uchwyt na kolbę lutowniczą

The soldering iron holder 0003553 is the ideal complement for the CD-2SA and CD-2BB soldering stations from JBC. This holder provides a secure and stable support for your soldering iron, extending the life of the soldering tip. Thanks to the robust construction and well thought-out design, you can work comfortably. The holder is easy to assemble and ensures a tidy and efficient working environment. Perfectly suited for professional users who value quality and reliability. Discover the advantages of the 0003553 soldering iron holder at [Weidinger.eu](http://Weidinger.eu).
